Thanking God for the Start of Another School Year! We are happy to share that our Preschool has ten 3-year-olds enrolled for its pilot program year. And, our elementary school's enrollment for the 2017-2018 school year is 18. (One family moved, another came in. ☺) Please keep our students and their families along with your teachers in your prayers, asking God to bless them, the children, and the ministry opportunity put before us.

Preschool Rooms are Ready!

If you have taken a walk down the back hall in our facility, you have probably noticed that three of the four Sunday school rooms are all set for the preschool age children. The rooms are very inviting and filled with many interesting things for young children. Parents, please help keep the rooms in order for our teachers by reminding your children that these fun-looking rooms are indeed classrooms, and,

unfortunately, not playrooms. Things need to be in place for class every Monday and Wednesday morning. Thank you!

Labels for Education Update The Campbell Soup Company has discontinued their labels for education program, so there is no need to clip and save them anymore. We are sending in the final batch and redeeming them. However, we will continue to save **boxtops** and **milk caps/strips**. You can continue to deposit them in the container by the coat racks. *Thank you for your support!*

THANK YOU, SHERRIE CEPRESS! Speaking of labels, boxtops, and milk caps We extend our sincere appreciation to Sherrie Cepress for being responsible for this program ever since our school began 12 years ago. Our teacher's aid, Sherri Kammueler, is taking over the leadership for this program. She will be asking for volunteers to assist her in this endeavor! ❤️

School Theme for 2017-2018

I can do all things through Christ who strengthens me. Philippians 4:13
