### **Joy in All Things!**

God blessed us with many joys during the month of October. The joy of new friendships. The joy of some warm days to enjoy the outdoors. The joy of learning new skills in the classroom and on the playground.

**And** the very special joy of having **ZooZort** (Miss Nicole) come and share the special animals she rescues and nurtures. As you can see, we had a very exciting time getting to know some interesting creatures! (To learn more about this program, google "ZooZort." It's really interesting!)

**ZooZort!**

We are VERY excited to celebrate **Alexa Gilson's Confirmation Day** on **Reformation Sunday!** (October 30, 2021) Alexa and Ellie Irwin have prepared and will sing a duet to commemorate this special day, "In Christ Alone." We ask that you continue to keep Alexa in your prayers as she finishes her formal studies with Pastor and continues to learn more and more about God's Word through Bible studies and in Worship services.

*4K students practicing writing letters in the sand.*

### **Preschool News**

The beautiful fall colors create the perfect time to thank God for his wonderful creation. In October, we slowly worked through each day of creation learning what God made each day. The 3K students each made a creation book to share with their families and the 4K students played a lot of games to see if we could remember what God created on each day.

**(Continued)**

Some of our special days in October included a field trip to the PAC for the play Don't Let the Pigeon Drive the Bus, picture day, and our fall party. In the month of November, we are looking forward to learning more about farms and celebrating Thanksgiving.

*3K students at the PAC getting ready to watch the play.*

---

**\*\*COMING UP\*\***

- FIELD TRIP: November 8; "The Science of Magic;" 1 pm; PAC (Grades 1-8)
