Entertainment Night

All our students are busy preparing for this year's entertainment night!

3K will be presenting their rendition of Eric Carl's **"Hungry Caterpillar."** This is a story about a small caterpillar who emerges from an egg and begins eating everything in sight!

4K is doing their version of **"If You Give a Mouse a Cookie"** by Laura Numeroff. This story tells a story of a boy who gives a mouse a cookie – and it off to the races after that!

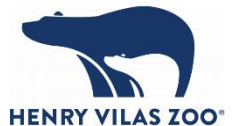

The elementary students are bringing back by popular demand the hilarious time travel comedy of **"The Day Skinny Jeans Saved the Universe!"** This nonsensical adventure through history and pop culture is filled with zany adventures that will delight the audience!

This special fun-filled night of entertainment will be held on **Friday, May 19, beginning at 6:30 pm.** Of course, there will be treats and a fellowship opportunity to follow the event. See you all there!

Field Trip to Madison! On Tuesday, May 2, our elementary students, will be going (OR will have gone) on a field trip to the Wisconsin State Capital and the Henry Vilas Zoo in Madison, Wisconsin. This event is always an enjoyable and educational trip! Look for pictures in June's newsletter!

Coming Up: Last Day of School - May 26

Blessings!
