"With the Lord Begin Your Task!"

Hymn 776

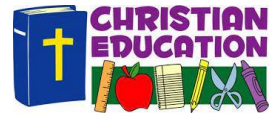

School is starting! In our shared commitment to nurturing faith and education through our school ministry, the words of the hymn "With the Lord Begin Your Task" resonate deeply. Penned with timeless insight, this hymn captures the essence of our journey as we support our Lutheran school. Just as Martin Luther emphasized the importance of integrating faith into daily life, so does this phrase - encouraging us to infuse our tasks with a spirit of dedication to the Lord.

As we continue to invest in the growth and development of our young learners, let's remember the wisdom of these words. By starting each endeavor with the Lord, we not only set an example for the children but also ensure that God's presence is woven into every aspect of their education. Just as Luther's teachings emphasized the priesthood of all believers, this hymn reminds us that every task, no matter how ordinary, is an opportunity to serve God and fulfill our shared mission to share His redeeming love with all people.

Until next month, blessings and grace!
