## God's Blessings to ALL in 2024!

**December** was all about preparing for celebrating the birth of our Savior. Grades K-8, from our school and Sunday school, poured a lot of effort into Good Shepherd's Christmas Eve Service. We know how much it is appreciated, and we take the responsibility to heart. And while we sometimes get a bit nervous, God always makes it turn out for His glory! *(We hope Mrs. T enjoyed working with all of us for the final children's service of her teaching ministry. We ~~think~~ KNOW she did!)*

---

### IT'S THAT TIME AGAIN!

It is the time of year when our school begins to receive phone calls about available space for the 2024-2025 school year.

**We will hold available openings for Good Shepherd families until April 15<sup>th</sup>**, at which time we will open enrollment to families from our community. If you would like to learn more about our school, grades 3K – Grade 5, and are considering enrolling your children, please contact either Mrs. Tullberg or Mrs. Irwin (715-325-3355). In addition, we can also provide information for our GS Families, as well as current students who be entering grades 6-8, and are interested in continuing their Christian Education at St. Paul's Lutheran School.

We love talking about our school ministry and look forward to talking to you!

---

### Early Childhood News ...

During the month of December, we were so excited for Christmas that we put most of our classroom routines to the side and enjoyed a more relaxed environment. We focused on Jesus' birthday and all the fun preparations that come along with the holiday season. In the month of January, we will be reviewing our classroom routines and rules. We are hoping for more snow as we start our science unit on snow and ice.
