Fabulous Fall!

Fall – a season God has splashed with awesome color. We have learned a lot of “colorful” lessons this past month. In Bible History we continue to learn about God’s promises given and kept in Old Testament. The dark blue sky filled with stars to enumerable to count as God promised Abraham he would be the Father of nations is one of them! We continue to study the use of color in Art as we made Kandinsky-Style pumpkins and water-color leaves. We read, write, study math, history, and regions of the United States. And we continue to pray for our country, the Red, White, and Blue, as our people prepare for another presidential election. We pray for each other. And we pray for all of you, too!

SPECIAL REMINDER: To reduce the number of people in the building during school hours, please try to wait until after 2:30 pm, if possible, to come into the building to drop off and pick up anything you may need. THANKS!

Thank you, Mr. Fregien, for the picnic table! It is a nice addition to our outdoor space!

3K NEWS

October has been a month filled with fall fun for 3K. We’ve been busy learning about apples, pumpkins, nocturnal animals, and God’s wonderful creation. We even completed our own creation book that we illustrated and took home to share with our families. When we learned about nocturnal animals, we used flashlights to search for them in our classroom. We found a bear, a bat, a racoon, and even a skunk. When we learned about apples, we made apple pie for snack time. Thank you, God, for fall fun.

Blessings! ~ Mrs. T
