### **Getting Ready for a New Year!**

Mrs. Irwin and Miss Cook are enjoying the end of summer and getting ready for the new school year! We are currently preparing to be blessed with 23 students to be a part of our school family this year. We ask God to bless our whole school family: faculty, staff, students, and school families, as we faithfully provide a Christ-centered education for the families He has entrusted to our care.

One new opportunity for our church and school family that has been created is an Amazon wishlist. This list includes items that the teachers would like to have or would find helpful if donated. If you order off the list, it ships right to school and will be used in the classroom right away! If you want to be involved in the school but aren't sure how, this would be a chance to support our school.
